

The Total Economic Impact™ Of The ACL Platform

FORRESTER®

Forrester interviewed an ACL Platform customer, an international airport management organization, to assess the benefits and costs of the solution. ACL has delivered that company the following three-year financial impact.

SUMMARY OF BENEFITS

Three-year present value, risk-adjusted

PRODUCTIVITY BENEFITS AND COST SAVINGS WITH ACL

Before ACL

8 FTEs completed 32 audits

Since ACL

6 FTEs complete 48 audits

With ACL, the team was able to more efficiently conduct audits, reduce team size, reallocate FTEs to under-resourced areas, and still complete more audits each year.

THE ACL PLATFORM BY THE NUMBERS

50% reduction in avoidable shutdown events, with more up-to-date and accurate monitoring

40% improvement in audit efficiency, also leading to reduced travel costs

VOICE OF THE CUSTOMER

“Using ACL in a more mature process where essentially there’s an audit performed almost every week, that’s at least 33% more than we completed before ACL.”

Program manager, international airport
