Waking Up To Data Analytics

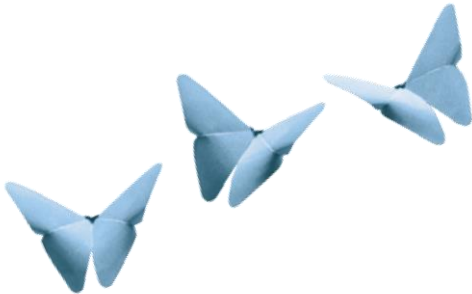

27th April - 07:30am - 09:00am

We'd like to invite you to breakfast!

We're hosting a breakfast meeting to help businesses throughout Yorkshire develop their understanding of data analytics.

Join us for tea, coffee and a bite to eat, chat to data industry experts and share your experiences with local business colleagues.

- Learn how to start your own data analysis project
- Explore the differences in data practices
- Use data analytics to make better business decisions
- Get hints and tips on some of the most challenging areas
- And...**discover the beauty hidden in your data**
