

DataConsulting's ACL open-enrolment training course survey results.

August 2016 - May 2019

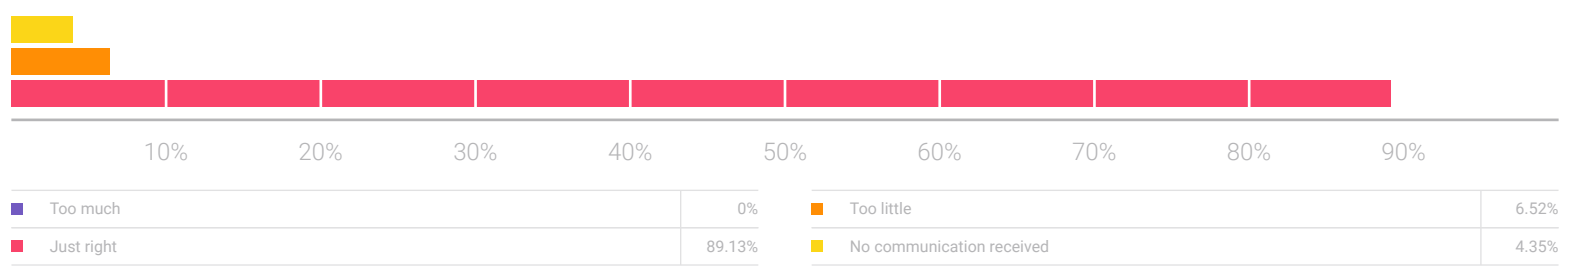

Results collected via  SurveyMonkey

DataConsulting has received 46 responses from a survey sent to all individuals after attending one of its ACL open-enrolment training courses. The results collected are from people who have attended a course between August 2016 and May 2019, these are the results to that survey.

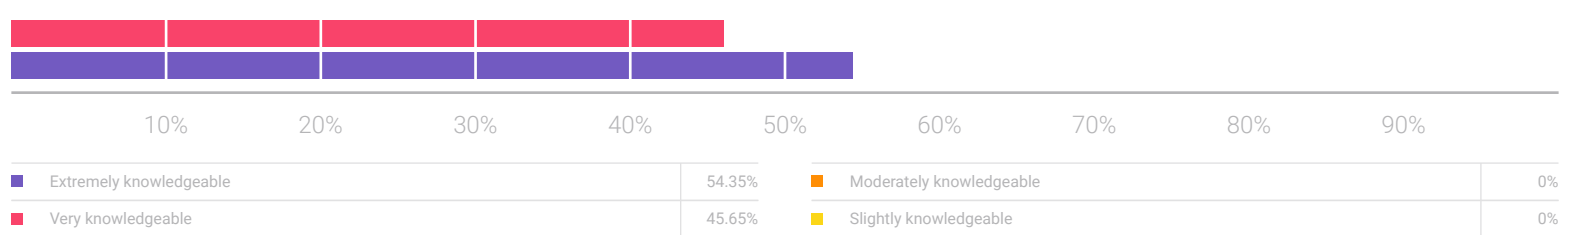

Q1 How did you find out about the course?

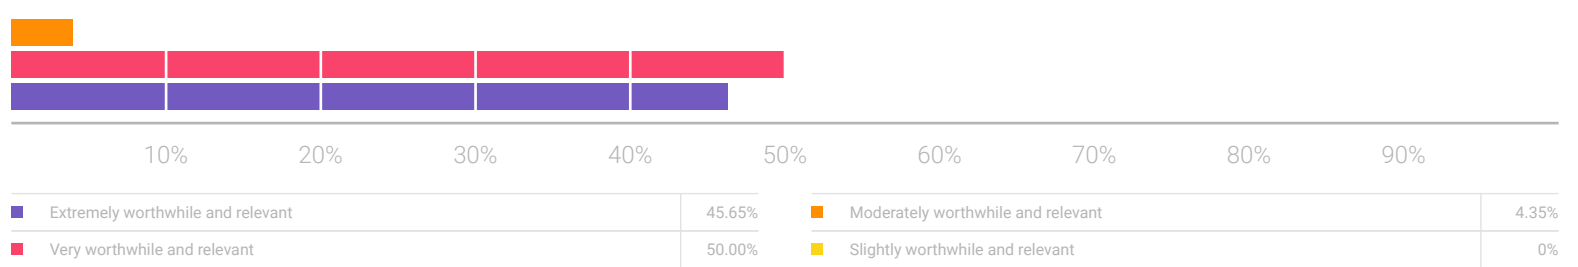

Q2 How was the information & level of communication prior to course?

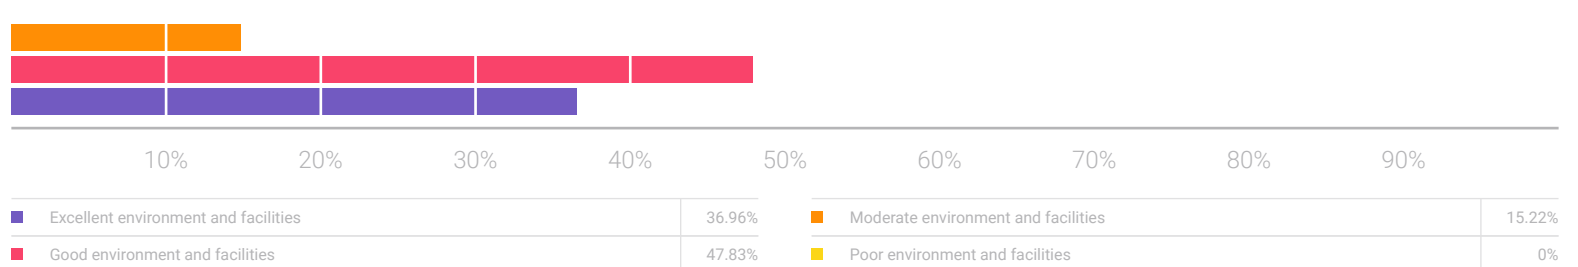

Q3 How knowledgeable in the course content was your instructor?

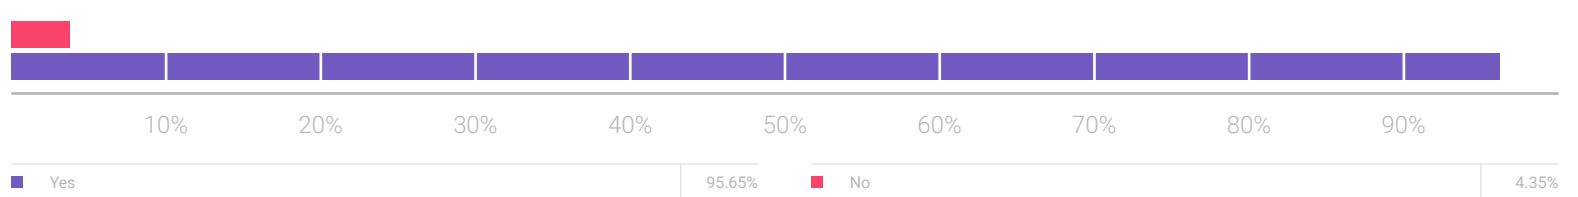

Q4 How worthwhile was the course material & how relevant to you was the ACL training course content?

Q5 How would you rate the venue/location/environment/amenities?

Q6 Do you feel more confident with ACL?

Q7 Overall, how would you rate the course in terms of content and value for money?
